Re-breeding
delivered cow

Loin Steak of Wagyu

《Rock salt & Wasabi》 with Seasonal Vegetables

This Wagyu is the delivered cow, they are high quality beef that grown up with taking time and effort.

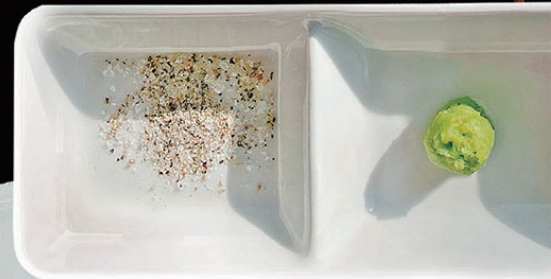

The lean beef tastes rich flavor and light with tallow.

It is more popular in abroad, especially in France.

The beef we cook is Wagyu so it is more tender than foreign beef.

Now, it features in Japan from the animal welfare point view.

※Animal welfare is feeding domestic animals under the comfot environmet to decrease stress and epidemic of domestic animals. As a result, it leads to improve productivity and produce secure livestock products.
